*Where Are You Going, Baby Lincoln?*

*Baby Lincoln's older sister, Eugenia, is very fond of telling Baby what to do, and Baby usually responds by saying "Yes, Sister." But one day Baby has had enough. She decides to depart on a Necessary Journey, even though she has never gone anywhere without Eugenia telling her what to take and where to go. And in fact Baby doesn't know where she is headed only that she was entirely happy in the previous night's dream, sitting aboard a train with a view of shooting stars. Who might Baby meet as she strikes out on her own, and what could she discover about herself? Will her impulsive adventure take her away from Eugenia for good? What if timid Baby Lincoln broke free of her bossy sister and set off on an unexpected journey?*

*Last Lemonade Standing*

Help investigate the case of a missing lemonade recipe with Nancy and her friends. The girls want tickets to see pop singer Katy Sloan play at the River Heights Amusement Park -- but their parents say they've already filled their summer theme park quota. So the girls decide to turn lemons into lemonade by earning their own tickets -- with a lemonade stand! Unfortunately Lily Ramos, a new girl in River Heights, has the same idea. She's the niece of the owner of the town's newest and hottest cafe, and her stand is equipped with cafe tables, gourmet treats, and a rolling library cart! Good thing Nancy has a secret weapon: Hannah's family lemonade recipe! The girls are all set to whip up the lemonade -- until the recipe is replaced by a blank sheet of paper! Nancy, Bess, and George set out to find the thief!
