Wallace and Grace Take the Case

In this charming series, perfect for newly independent readers, kids will be treated to simple whodunit mysteries as an utterly delightful owl duo put their heads together. Something is spooking the garden . . . can Wallace and Grace solve this case?

Squishy McFluff : The Invisible Cat!

Can you see him? My kitten? Close your eyes tight. His fur is so soft and all silvery white. Imagine him quick! Have you imagined enough? Oh, good, you can see him! It's Squishy McFluff! When Ava discovers an imaginary cat in the cabbage patch, she knows she's found a new best friend. First in a series!

Lagercrantz *My Happy Life*

A sweet, funny illustrated chapter book about a young girl with a lot of optimism--even if sometimes life makes it hard to be happy. Dani is probably the happiest person she knows. She's happy because she's going to start school. Dani has been waiting to go to school her whole life. Then things get even better--she meets Ella. After that, Dani and Ella do everything together. They stick together through wet and dry, sun and rain, thick and thin. But then something happens that Dani isn't prepared for .

Medina *Juana and Lucas*

Juana loves many things -- drawing, eating Brussels sprouts, living in Bogota, Colombia, and especially her dog, Lucas, the best *amigo* ever. She does *not* love wearing her itchy school uniform, solving math problems, or going to dance class. And she especially does not love learning the English. But when Juana's *abuelos* tell her about a special trip they are planning--one that Juana will need to speak English to go on--Juana begins to wonder whether learning the English might be a good use of her time after all.

Redmond *Bug Blonsky and his Very Long List of Don'ts*

If seven-year-old Benjamin (aka Bug) Blonsky were a superhero, he'd be "Bug Boy with the Power to Annoy." That's what his big sister says. Mom says he's wiggly and can't sit still. Dad says he's easily distracted. On this day, Bug's "choices" -- drawing pictures of pig roller coasters during math time, making armpit noises when his teacher bends over -- have landed him in a heap of trouble, so now he's writing a list of what not to do: his list of don'ts. Bug's list is very long, but will it help him stay out of trouble? Don't count on it!

Qualey *The Marvelous, Amazing, Pig-Tastic Gracie La Roo*

Gracie LaRoo is a synchronized swimming pig extraordinaire! Follow Gracie as she shoots for the gold medal; uses her dazzling moves in a Piggywood movie; visits her old school and shows her former coach just how hard synchronized swimming can be; and captivates a cruise ship audience with her signature spins.

Rylant *The Bear*

After a long winter cooped up in the lighthouse, Whistler and Lila are excited to go outside and explore. In the forest, they see some frosty vapor rising from a hole in the roots of a tree. They investigate and discover that it is a hibernating bear. The mouse children wait patiently for the bear to wake up and when he does, they invite him for breakfast at the lighthouse. But their new friend might not be quite done hibernating.

J FICTION

Dominguez

Stella Diaz has something to say ☀

Stella Diaz wants to be friends with the new boy in class, but sometimes she accidentally speaks Spanish instead of English and pronounces words wrong, which makes her turn roja. In addition, she has to get over her fear of speaking in front of the class.

Warner *Absolutely Alfie and the Furry Purry Secret* ☀
Seven-year-old Alfie Jakes isn't thrilled when her mom organizes end-of-summer playdates with her soon-to-be classmate, Hanni. Hanni is kind of bossy. So Alfie is relieved when Hanni is more fun to play with than she thought. Even better, she shows Alfie her cat--who has kittens! Alfie immediately falls in love with a little gray kitten and wants to give it a home. But one of the Jakes' house rules is 'no pets' because Alfie is supposedly allergic. Alfie is sure she's outgrown that allergy, but how can she convince her parents? Wouldn't it be better to sneak the kitten home and PROVE that she's not allergic? But keeping a kitten a secret is a lot harder than she ever thought!

J GRAPHIC NOVELS

Arnold *Noodleheads See the Future* ☀
Inspired by folktales about fools from around the world, brothers Mac and Mac Noodlehead exasperate Uncle Ziti, are fooled by their friend Meatball, and make a garden for their mother.

Yee *Hammy and Gerbee: Mummies at the Museum*
Things are looking up for best friends Hammy and Gerbee--a hamster and a gerbil--when they find out they're both in Miss Capybara's class. But it's not long before school becomes a battle between the good (Hammy and Gerbee), the bad (spelling bees and pop quizzes), and the evil (mice twins Anna and Hanna). Can things get any worse? Or mischievous? Yep! They're going on a field trip to the science museum. What are two rodent friends to do but find their own fun (and trouble)?
